

## Healthy House Gallery Guidelines

Louisville Grows is an environmental nonprofit organization whose mission is to Grow Greener, Healthier Neighborhoods. Our programs focus on urban forestry, urban agriculture and urban sustainability. Healthy House programs, workshops and classes center on *healthy living, healthy eating, environmental education, and/or environmental equity*. We are dedicated to restoring the urban tree canopy and providing environmental education opportunities that will lead to ending health disparities in our community.

**Curator:** Outreach Coordinator, Kelsey Goff

**Email:** [programs@louisvillegrows.org](mailto:programs@louisvillegrows.org)

**Address:** Healthy House, 1641 Portland Ave. Louisville, KY. 40203

### Guidelines:

1. Artwork must align with at least one of Healthy House's four principles:
  - a. Healthy eating
  - b. Healthy living
  - c. Environmental equity
  - d. Environmental education
2. No restriction on size, but...
  - a. Artwork must fit through our front door.
  - b. Artwork must be able to hang from the supports provided by Louisville Grows. Nails cannot be used to hang artwork.
  - c. Artwork cannot be intrusive or block pathway in hallway gallery.

### To Proceed:

1. Request and complete the Artist Submission Form and email it to [programs@louisvillegrows.org](mailto:programs@louisvillegrows.org)
  - a. Submit with "*HH Art Submission*" as subject line.

If Artist Submission Form is accepted, you will be notified by Louisville Grows' Outreach Coordinator. A meeting will be set up to determine the date of exhibit, number of art pieces and establish a timeline for installation at Healthy House.
